#### **From the President:**

I hope that our recent power outage is not an omen of what is to come this winter; it seems to me we had plenty of power outages last winter.

Volunteers have built two new dock sections and our hope is to get them in place in the next couple of weeks. We will continue to build new dock sections until all of the wood docks have been replaced. It was a learning process but we figured it out and the docks are working extremely well. We have several other things on the to do list. Our intentions are to put some of those in the completed file before spring.

#### **Past Events:**

##### **Antique Car Picnic:**

The annual antique car picnic was held on September 3, 2007. There were 20 cars on display and 75 attendees at the picnic. The LLCC provided hamburgers and hot dogs. The guests provided the

balance of the potluck. This event gets bigger and better each year. Those that participate in this picnic enjoy showing all of us their beautiful cars. Thanks to Carol & Orin Brassfield, Skip & Jackie Meredith.

#### **The Park**

The park is looking great, the grass has come in, trees have been planted and the new swim area proved to be a huge success. Due to more water action, the board believes this new swim area will work out much better, we should see less weeds, silt and muck.

The restrooms have been closed for the season; they will be opened upon request.

#### **The Upper Lodge:**

The upper lodge has been very busy these past few months. There has been a rental most weekends; we all need to be thankful for this wonderful building as it certainly keeps our dues at a reasonable rate.

#### **The Twenty-Hour Volunteer Dinner:**

On September 15, 2007, the LLCC served a "Thank You" steak dinner to 29 volunteers. These people worked 20 hours or more to benefit the community. This will become an annual event and hopefully you can be included. If you would like to become a regular volunteer please call Sharon @ 894-2281 or Carol @ 894-1308.

#### **Hydro Races:**

The hydroplanes had three very successful race days, and the LLCC was able to open the café, thanks to Victor and Gaynor Bober. They took the project on and did a super job; the LLCC treasury became healthier due to their effort. Thank You, to the Bober Family.

**Emergency Telephone Numbers:**

**Puget Sound Energy 1 888 225- 5773**

**Washington Water 1-888 408-4060**

**Pizza Delivery: 400-2222**

**Remember to put that emergency kit together.**

**Holiday Craft Bazaar:**

The bazaar dates this year are Friday & Saturday, November 9 and 10. Hours are 9:30 am to 5:30 Pm. There are several new vendors and many of our regulars are returning. The high school choir will be entertaining on Saturday afternoon. Be sure and stop by, pick up your complimentary gift and perhaps find some treasures. There will be hourly door prize drawings. We are welcoming Della Cabral as our new kitchen supervisor. Lorraine and Chuck Flory together with Bob and Joan Patrick are helping her become acquainted.

**The Annual Christmas Dinner:**

**Mark your Calendar:**

On December 5, 2007, the LLCC will provide, at no charge, a Christmas Dinner for our community residents. Dinner will be served at 6:30. The doors at the upper lodge will open at 5:30. Dinner will consist of baked ham, scalloped potatoes, and fruit salad, tossed salad, vegetables and dessert. Coffee, tea, soda, and milk will be provided. You are welcome to bring your beverage of choice. There will be a gift exchange. If you choose to take part, please bring a gift for each person in your party, mark the gifts for man, women or either. The price of gifts should not exceed \$10.00. If you have children please provide a wrapped gift, with their name on it. The gift will be placed under the Christmas tree; and will be passed out before the adult gift exchange. We would like involvement by our youngest residents, (Under 12). If your children are interested in joining

the singing group, please call Carol at 894-1308, Sharon @ 894-2281 or Joanne @ 894-5581. Arvis Olson has offered to help with the singing and provide the keyboard background. Invitations will be sent on November 25, 2007

**New Years Eve:**

There is not going to be a New Years Eve party this year, we do not have anyone interested in chairing this project.

**Halloween:**

We have been giving some thought to arranging a Halloween party for the kids next year, to be held at the lower lodge with outside games and activities. If you have ideas and are interested in helping to organize this, call Sharon @894-2281. We think it would be a fun thing to do for the kids.

**Update:**

For the most part, residents displayed their parking permits this past summer. We were better able to control park usage by non-members. There has been damage to the screen doors on the little lodge and they will be replaced.

**Unpaid Dues:**

There are a few residents with unpaid community club dues. If arrangements are not made prior to November 15, 2007, liens will be placed on those properties. We realize that sometimes things happen that make paying the entire amount difficult. The community club is willing to work with you, but arrangements must be made before the 15<sup>th</sup> of November.

**God Bless the USA, Our military and their families**

**Happy Holidays**
